**GAME AT ELM HALL**

The Republic base ball team will meet the Elm Hall nine Sunday afternoon at 2:00 on the Elm Hall field. In a recent game at Elm Hall the truckmakers were forced to go fourteen innings to win. Manager Johnson of the Elm Hall team assured the writer that it would be some game Sunday, when the two teams clash again.

**To Improve Your Digestion**  
"For years my digestion was so poor that I could only eat the lightest foods. I tried everything that I heard of to get relief, but not until about a year ago when I saw Chamberlain's Tablets advertised and got a bottle of them did I find the right treatment. Since taking them my digestion is fine."—Mrs. Blanche Bowers, Indiana, Pa.

**Swelling Under the Eyes, Grayish White or Waxy Color of the Skin Denotes Nephritis or Inflammation of the Kidneys.**

A slight degree of kidney trouble affects the mind and body, nephritis, (inflammation of the kidneys) causes mental diseases in two ways: Through changes in the walls of the blood vessels and through poisonous changes in the blood. Creatin, uratin and potassium salts, commonly produced in kidney diseases, irritate the lining of the animal brain.

San-Yak is the remedy that does actual poisoning from which so many people suffer, thereby keeping the arteries soft and flexible at ages past fifty. No matter how old you are, if you are suffering from kidney trouble, it could be had than from the following letters: Mrs. John Tickle, Collins, Ohio, (grandmother of Perry Baker, county treasurer). She is 90 years old and was subject to a great deal of kidney trouble, high blood pressure, stiff and clumsy in the muscles, but after taking San-Yak is again in normal health, being able to do her own housework and washing. She says she can walk a mile with most of the young folks.

J. R. White, ex-chief of police of Marion, Ind., and recently proprietor of the Hotel DeSoto, states as follows: "I used four bottles when I was in Benton Harbor, Mich. I was subject to short breath, heart, kidney, bladder and liver troubles. I had blood I am inclined to have an opportunity to recommend San-Yak to my friends. It is a wonderful medicine and its claims are true. Yours with pleasure, 'J. R. WHITE'."

P. A. Kallonen, 280 Second St., Benton Harbor, Mich., says: "San-Yak cured me of paralysis of five years standing. I had had action of the kidneys, bladder and liver for many years. The hardening of the arteries has disappeared. People of advanced years should use San-Yak for health's sake and a longer life of activity and usefulness." Dr. J. J. Weir, the eminent children's specialist, Millburg, Mich., says: "This is to certify that I have prescribed San-Yak for a bad case of stomach trouble and I am glad to say that it helped really beyond my expectation. I can cheerfully recommend it to anyone afflicted. One teaspoonful in glass of water half-hour before breakfast beats all antacids and bitters for the stomach, bowels and kidneys. I have tried all kinds."

"Of late years I have been troubled with my heart. Upon being examined the doctors told me it was high blood pressure. They tried to relieve me but did no good. I was told to try San-Yak on a guarantee, which I did, and am now very thankful. I have taken several bottles and am not now troubled one bit with my heart. My blood pressure is now down to normal. It is also a very good tonic for I now feel the best I have felt for several years."—T. J. Parr, R. F. D. 3, Benton Harbor, Mich.

"I have been troubled with my kidneys and bladder and had rheumatism in my knees so that I could hardly stand. I went to a doctor and he told me to take medicine and with doctors for the past two or three years. Finally tried San-Yak. I have taken several bottles and am not troubled with kidney or bladder and my rheumatism has left me entirely. I am feeling 100 per cent better and am now able to go to work. I will recommend San-Yak to anyone."

Albert Black, Solus, Mich.: "I have used three bottles of San-Yak and it reduced my high blood pressure and I am now bothered any more. Persons of advanced years should keep it on hand for use."

This is from a lady pretty well along in years. "I had suffered from kidney and bladder trouble for years; have been relieved but no more. I have taken all kinds of medicine and really feel better. Am now starting on my second bottle and I will say that it is the best that I have ever seen. I feel almost like new. When anyone is feeling sick at our home I insist that they take San-Yak."—Mrs. James Mosher, Battle Creek, Mich.

What this prescription does for other people, it will do for you and we can surely say, when you get the results needed. Sold by Chas. R. Murphy, Alma, Mich. advertisement.
